Feb 25 1874

25 I drew home 3 logs in the AM  
and in the afternoon we cut  
and drew an oak log up  
to the Falls. It was 17 inch  
at the top end.  
James Back and Mrs  
Sherritt came down last  
night. Snowed a little in the  
morning but cleared off  
fine; but a raw wind

26 Cold raw wind otherwise  
pleasant. I drew / oak log  
to the Falls today. Sold two  
Basswood logs that I took  
up some time ago I got \$16.  
I brought home a load of birds  
for Uncle Hugh this afternoon  
Mary and I went up to  
Terrence Thomas's to see them  
but they were away -  
Went to the post office and came  
home.
