WED. OCT. 12, 1898

Wea.

I got up and made the fire and it was comfort to have the stove in this morning the boys are off to school I scrubbed the floor and the stoop and cook house in the forenoon after dinner I polished the teapettle, and we put some apples to dry and other duties.

Ther.

THURSDAY 13

Wea.

I made a fire and got the breakfast ready. The boys are away to school, I attended to the house work in the forenoon after dinner I was busy fixing a petticoat for myself to wear, it is raining this evening. S. A. came in for a while as George is away to the school house
