

on 11 Dan cut and drove the last wood that he could
 a man get in the bush & drove to the house Ad & me piled
 some of the wood side by side for the house

20 Dan drove saw from the pit to back the house
 Ad & me finished all the windows they had all to
 be made smaller & fit in with the new lapping weather

21 Dan is overhalling the old fence along the road of the
 middle field & fixed some of the rails in the stables

22 Dan drew the old rails that did not fit to put up again
 to the house for wood & Philo & him brought the ^{hedge} ^{wood}

23 Mr Linton went to Fair for this morning Ad took him
 he did not go to Sand Bay there was very heavy rain
 most the day and night

24 Dan plowed two three furrows both sides of the pond
 that was set along the road Ad shovelled the furrows
 Dan then plowed in the North East corner field
 turned very cold and freezing hard with north wind

25 Dan is drawing the corn stakes that is behind the Pond
 then he went to Bruce for the horse pown & saw

26 they set the horse pown and saw and got a coupling fire

27 Ad & Dan with Bruce's Boys & team sawed the
 wood this forenoon Ad went to Garonague for
 wine for the Road fence in the afternoon find day

28 they are fixing for beginning to put on the
 wine put on some fine day

29 they put on the rest of the wine along the road
 of the middle field they had very little
 off the two bunches of Barbic they lacked
 some of the one bunch of Buckthorn to finish
 the two rows on the top it was after dark before
 they finished

30 Rev Mr Lincoln preached this morning he is a
 probationer he went to Fair in the afternoon
