

Marguerite is sick. No visitors after church.

Nov. 26th Monday Rather drizzly day. Charles + Dorothy left at 9 am for Walkerton with Mr. Munnell. Charles U. D. O. trial, Dorothy to Rattan factory. I took her poem - Mr. Munnell down to Mr. McDonald and Mr. Pearson's music to the telephone office. Then I went to see Marguerite Gower. She has tonsillitis + will not be able to take her part: after dinner went up to get Mrs. Hardy to take it + called at Black's to see if they had any Scotch costumes. Read "Possession" by Margz De La Roche. Dorothy got home about half past three. Practise in evening: Laura, Aldyke, Georgina, Janet + Dorothy. I wrote part of "Hickory Farm" for The Enterprise. Dorothy went down town after she came home + after practise went to young People's where question of present for Ted was discussed. Charles went to meeting of the Musical Committee at the house. Mr. Curtis has resigned.
