Pat went to store at night for awhile.

Wed Jan 4/32

Weather - raised heavy clearing at night. Men cleaned beans, henhouses etc. Norm took radio out to store after breakfast & brought up a miniature one for us. So enjoyed it most of day. I cut up 2 cabbages in afternoon to preserve & mixed a Kmas pudding at night.

Thurs Jan 7/32

Weather - cool S.W. wind today. Norm went to city for the day. Laura came back with her tea - night, Doug chard & split wood. Pat went down to garage in afternoon. I filled 5 cushions with feathers cut up, grapefruit orange & lemon to night for Marion. I helped milk as Norm away & Billie sore thumb. had a letter from Jean to - day.

Frid Jan 8/32

Weather - Fair & mild. Men repaired barnyard gate in a.m. In afternoon Pat took truck down to W. Brooke for 11 pigs (3 months old) Charles H, Norm & Doug B. went down to side road in Normiston to catch some daygers that had been here south of Ireland shooting pheasants, they caught them too. I phoned

Scotty Walker & he came right over. Laura & I cleaned setting room in a.m. & Laura waxed floor in p.m. produce - 6 bags potatoes, 11 bus apples, 5 1/2 gal cider, 8 pts cream, 1 1/2 bus beans, 88 Dg eggs. phone fixed to - day about noon (temporarily.)

Sat Jan 9/32

Weather - Ideal day. Men chopped trees & brush along bank East of north orchard. Douglas went to market, Mother, Dot & I went to city with him. Laura kept Marion. I got black silk with pink for a new dress. Laura & Norm went over to Jean's to - night & made 10 pts marmalade after supper, mended etc.

Sun Jan 10 1932

Weather - lovely mild day, a little snow. We 3 attended church in p.m. Church was full, Norm went away just before supper I helped milk, had to drive down to 24 P.S.

Mon Jan 11 1932

Weather - Quite cold with snow at night. Douglas went to garage & left car there to get brakes fixed then he went to city with Charliet Hazel to appear in court after the Italians that had been here the previous Friday. Laura in city today with John. She came back here when Norm & I came from Coral lunch to - night & picked the singers out. I washed & nearly made a dress (pink) & bloomers for Marion. Men drew up wood to the wood pile.
