307 DAYS PAST

SATURDAY

59 TO COME

July 8, 1907.

Marion Ousley-Russell, M.D., Chicago, Ill., says:

"I have prescribed Pepto-Mangan (Gude) with excellent results for the past twelve years."

July 8, 1907.

J. C. Cole, M.D., Sabina, Ohio, says:

"I have used Pepto-Mangan (Gude) in cases of anemia with most gratifying results. I consider it the best of all iron preparations. I find it agrees well with the most delicate stomach."

It rained like rain, but
didn't. Carl Adams was out
all day & we gathered three
brows of celery, all the cabbage
& the rest of the turnips.
I went to Charley Marchant's
for some Lard & tongs & hearts
(John ploughed) all day.
Mr. Rutherford was out to see
Maude's. He drew the roots up
with the old Mariah. Clifford
Skinner road his by sick & Agnes
for bread but the road was pretty
Silly 4 Mariah 7 bad
