OCTOBER MONDAY 30 (303-62) 1922

fine day but quite cool I did some writing in the forenoon Manie and I washed in the afternoon and I filed the saw and put the Engine on the stump Gerald came up after Mrs Cockrill tonight Henry in for a while

TUESDAY 31 (304 61)

lovely day. I finished filing the saw in the morning and set it and sawed a little wood before dinner I went over with Milton Chapman after dinner to look at some horses he has for sale I came back and sawed wood until dark Eric and Dorothy went up to the Hallowe'en party in the Hall. Gerald in for a while. Tonight

NOVEMBER All Saints' Day (Quebec) WEDNESDAY 1 (305-60) 1922

~~fine but cloudy Assie came up and him and I finished sawing the wood in the forenoon and loaded the Engine for him we ploughed our garden in the afternoon I burnt up some brush and rubbish in the evening~~

fine day Henry and I built the step to woodshed door in the forenoon and put on the thresholds on the Kitchen doors in the afternoon around office in the evening

THURSDAY 2 (306-59)

fine but cloudy Assie came up and him and I finished sawing the wood in the forenoon and loaded the Engine for him to take back with him to cut his wood, him and I ploughed my garden in the afternoon I burnt some brush and old rubbish in the evening rained a little tonight
