

At home ~~at~~ nearly all day
went to Fletcher & back before noon

Very cold yet with wind of west

THURSDAY 18

(108-257)

I was home all day. Weather a little
milder & calmer. I ~~was~~ sprinkled about
12 acres (spring wheat field). At lower place
also took some measurement. S. P. C.
(Waste land, $7\frac{1}{2}$ acres)
width west of lane gate 50 rods
" east " " " 36 " + 1 rod for gate
Total width 87 rods

Sam Switzer came for 1 bag of wheat
 $29\frac{1}{2}$ bu. @ 1.20 Finished sowing oats today
also sowed the "Odessa" barley got from
the experimental farm Ottawa.
