

Done chores. Brock and I took buggy and went to meet mother. She came home from Guelph. Etta came with her. She still quite miserable and weak. Da took another wheat spell about supper time.

Very foggy day. Rained hard at night.

Brock done chores and down with cream can and for Dr. in afternoon.
Dr. Berrier came out about six o'clock.
Da has kidney trouble and put mother to bed. She very much run down.

Soft snow in morning and rather dull.

Brock done chores and to town for medicine in forenoon

Lovely bright day and warm.
