135 DAYS PAST

230 TO COME

Valuable in Convalescence.

A Welsh physician writes: "I have found Pepto-Mangan (Gude) of great assistance in my practice, especially in convalescence after pneumonia, and after parturition."

Weather

Fine but cold

Temp.

*Frost last night. The girls
drove Billy to school, John put
a load of lumber out to
the north place & was gone
all day. Eugene went to
mill & did odd jobs. We
got seven hundred of sugar
Mr & Thompson brought
it home. Pa came home
from St Thomas last night
after getting Mrs Peeples of
Dakota*
