

not think of going so Sarah had gone to Brays  
for better. I went with her however across the  
creek on the scow with Mr. Ingledew & Walter Joyce  
working it. Sarah came over to find me after tea.  
We played ransig till after 9. when Mrs. Ingledew  
& Edith came over to our corner with us. Edith lent  
me two books to read "Naverly" & "Lord of the Isles"  
by Sir W. Scott. She also lent me a lot of music.  
Got home & all had gone to their beds for night.

Sat. 16<sup>th</sup>. Maria & Nelson went to Harriette and Dian  
and Geo. Night came off it. It met him at door with  
big apron & hot clothes. All busy & not cleaned up.  
Nettie & I washed each others heads. Ada Bray came  
with some music & I could not see her. It rained  
like rain so she soon left. Filled in parlour half ready at  
noon. <sup>from my accident in night. Angerica Messipi is left in the morning.</sup>

Sun. 17<sup>th</sup>. Went to S. S. Church. A number of strings  
there. Good sermon spilt by money matters of the  
subscription taken for minister's salary. Stayed for  
chance. Nice S. S. Mr. Iniquor took the lesson.

Net & I went with E. W. for a drive <sup>down</sup> to Oakville  
then back by middle road. Maria & Geo. have  
a private talk in parlour while we are gone. You  
be talks to Sarah & Net in lounge in kitchen.
