

Sunday ~~Sept. 5.~~ 1922
 I went to Church in the morning but Mabel, Maudie, Roy, John, Kent, Charlie and Loo's stayed at home

It snowed during the day with an East wind but not cold.

Monday ~~January~~ Oct. 6, 1922

The mail didn't come till the 11.30. car. So Kent and I hitched up Elly with Queen and Kent drove her out on the 12th to the Beaulieu and home by the 11th. and after dinner Kent delivered mail to the Bay with Dick and I delivered with Queen on the Club Post.

Mr English went away with Jerry and the buggy in the morning and he wasn't back when we did our chores.

The day was fine but it thawed during the day and made the roads sloppy.
