

Wed 26. warm. Paul caught 4 fish last night 7 13 tonight today gave part of them to # Ammie. Hattie has working on her centrepiece that she drew the pattern her self. Last night I had a bad spell with my head. They all came over but Archie. So I got a cold & I don't know how I got it. I am not good for anything. Mrs Ricey brought over a liver. Will & Ethel went to Port to mill. Fannie took the day for fishing. caught 1. they are gone to a meeting on the church he considers what to do with the money from the 7c meeting.

Thur 27. The turkey laid her first egg. I set a hen with eggs from Olly Wells. I swept & dusted, cleaned the floor & scrubbed the steps washed quite a few things & swept the back kitchen. I blacked the stove. put on my flannel pants Paul went over to Wells to draw away the coal. A beautiful day wind east. cool enough to be pleasant. ironed the pillow case.

Friday 28. dreadful hot. I made 3 pies & black currant darts I was just played out it was so hot the whole house was like an oven Paul started to clean the calf pen in the afternoon Paul went to Chapparron on hour 7 25 minutes because Clara made up with him. Maggie called in for a while I had to run after the hiker all the time. Mary was in the morning.

and over opposite Ricey's they are washing their buggy. she over to George. Hattie stayed all night over to James Wells.

Sat 29. rained in the night raining this morning. beautiful growing weather. Paul finished the calf pen. Paul went after Marjorie. I ironed. I cleared up the kitchen & wood house. Ricey got the mail. Sun 30. got cooler. the wind almost cold. Hattie to dinner. Fannie over in the afternoon. Marjorie gone back to the Wells. Paul took her. Fannie went after church at night. Hattie stayed here all night.

Sun May 1905.  
Sun 1. I baked jelly cookies & tarts. They cleaned their gantry. Paul drawing manure all day with George's waggon. Sun 2. getting warm again I baked bread. & 2 apple pies cleaned both floors boiled meat stewed apples. I got supper for the men ploughing. there were 6 teams to good of them. that came. they ploughed 3 1/2 acres they would not come in to supper. Wed 3. day very hot. wind high & warm. Maggie came down with a jar of milk & to see about the ground that was ploughed yesterday.
