the
the

got
the
from

1 Ad began to plow for fall wheat in the
northwest corner of the North field where the pear was

2 Charles Rath came this forenoon to cut the Spring
wheat got it done afternoon yesterday

3 Ad and Lonnie helped Bruce with his harrow
till near night they got home to draw in
one load of wheat they left it on the wagon

4 Bruce's boys came out this morning to help Ad
they drew 2 loads of wheat & one of flat
and that finished our harvesting they went to help them

5 Rev. W. Millard had the communion here after
noon the church was well filled there was 51 ⁱⁿ taken

6 Ad and Lonnie drew dung to the North field East corner
Ad cut out a hole for a window in wheat shed for light

7 they drew dung in the forenoon helped Bruce to draw in
in the afternoon fine day very dry weather

8 they went to Bruce's this morning they finished his
his harvesting it has been a fine time for getting it in

9 Ad and Lonnie is drawing dung to the north field
little rain is forecast here he is intending to sow fall wheat on it

10 they are working at the dung a fine for it

11 do do do do

12 Rev. W. Millard preached this evening rain most of the
this morning

13 Ad went to plow for the wheat Lonnie is spreading
dung they drew dung half of this day

14 Ad finished plowing for the fall wheat
to day there was a fine shower best night

15 Ad sowed ^{new} 4 1/2 Bushel of fall wheat it was
all wheat with Bruce's drill Ad dragged on it nearly all the
forenoon then sowed & I dragged Ad went young
with Bruce in the afternoon intending to go to view
well

16 heavy rain all night and most of to day no work
done outside I expected to go to Unionville the rain
is so heavy that Charles Rath did not come for
one

17 Lonnie drew Stones for Dr. Hannabell well Baynes
which helped him to load they drew a load
