

1877

February 1st went to Peeth with Bruce. He did not look for

a horse he sold one of his Malcoms drove 2 loads
of wood left home to go to the other to the same

2 Rev. W. W. Cleon preached this morning from a text
for the Methodists. Though Mr. Ray took him to Springfield

3 I went with Mr. W. Mathews along Mr. W. Cleon to see Mr.
Loring he is some better. Malcom drove 1 load of wood

4 Malcom drove 1 load home & 1 to the road & took
care of the cattle fine day

5 Malcom went to the woods drove 2 loads of wood
home to the road the Rev. W. W. Cleon moderated
in a call in the church for Mr. Mathews it was
unanimous all the members & adherents signed
the call there was a missionary meeting at night
the church was well filled the collection was \$5.3

6 Malcom drove only one load to the road fine day

7 Malcom drove 1 load home he cut wood for me in the
afternoon I expect the horses to go to Chatham for a load
of Mr. Mathews furniture if Ad comes home

8 Ad did not come home. Malcom did nothing for
us the horses was in the stable all day Ad & Bruce
got home at night they got a horse at Hiram with
Ad took Mr. Mathews to Springfield this morning there was

9 very few Rev. W. W. Cleon at Peeth in the morning Mr. Mathews at night

10 Billie got some fish stief at the road got
it to the mill for to be plained & ground & lugged

11 Stormy day snow & rain Ad & Malcom
went to the house for to get out some logs

12 Billie got the stuff up from the mill still

storming there is quite a crowd on the snow
Billie & I went to the mill made the stairs down the better way

Billie & I went to the mill made the stairs down the better way
Billie & I went to the mill made the stairs down the better way

13 Howard gave of the shaving razor the kitchen
he went to the kitchen at this week

14 Ad & Malcom came home from the 6 can they got
in 50 logs cold weather with some snow last

night

17 I cut wood & attended to the cattle, & a balance
was paid at the school early

19 Seat wooden, the harness, the animal used here in the afternoon 3. Sixe and harness in the afternoon.

19. To-day we cleared up the Buck wheat & now

110 Borne & in the New Borne this morning. He came this week
to some place that we got from Borne. He was in the

20 I went to Kingsdon with Hugh M. Hay on the morning Express for to see Rev. J. G. Smith in our Church piers. Come home on the 3.10 Express all well etc. Mr. Malcolm went to the 6 Concession to work.

21. Albert came last night to for Mr. Barnes & told they
went to Delta this morning the Rev Hugh Chapman
went to Glenrail in the Mice to night very early.

Watt & Chorley went home the roads is bad

22 I have a pain in my side can do nothing. He and
Haleam came home from the County.

22 Rev. Dr. Garral preached this morning Mr. Matthews at my
Mr. Matthews went to Fairfield with Stieghs McFar^{Ln}.

24. At 11 Malcoms helped Bruce to saw wood at home.
 Then they went to Mrs. Atwood to Zanaquie in the afternoon.

25 They finished sawing at Wm. McVie's. Malcolm came
here before night & cut some wood for me.
The Rev Hugh Thompson came with Express from
Glenvail & Hornersmith where he preached last Sat.
25, Malcolm cut wood in the woodshed.

27 Halcom cut wood in the woods here.
He & Halcom went to the 6 car station to shoot.
Hal came for to run a line on some birds
and to go into the woods very near.

we got a telegram from him this morning & told
it to him he had gone to the line & had not been

At 7:40 x Halcom went to the 6 car to draw sawlog

1879

March 1 Ad & Malcom brought home a load of wood a night
I can do nothing my side the pain so bad I have put

2

in three mustard plasters on this neck

Rev. Mr. Matthews preached this morning. Mr. Gerrat at night

3 Ad put the harness on the calls this afternoon for the first
he took them to the road. Malcom went to the 6 Convey
brought out wood brought a load home at night

4 Malcom went for wood this morning brought 1 cord
for himself. Tomorrow in the afternoon he did not go over

5 Ad & Malcom went to the 6 Con to draw logs for day

6 Ad come home with a load of Cedar posts he had 40
he got them in Leeds across Sand Bay

7 Ad went to 6 Con drew 18 ash logs for fence & stuff

8 Ad brought home 40 Cedar posts he took them to the
road. Malcom come home with him fine day

9 Rev. Mr. Gerrat preached this morning. Mr. Matthews at night

10 Ad brought out the horse paws and sawed what
wood we had the wood shed is filled Ad had his
horses helping him. Wallace came warm day
the snow is melting fast Ad took the horse power
up to Ad after we finished here

11 Malcom split wood here all day there is no traveling
on the roads they are so soft the horses slump off

12 Malcom & me cleaned the peas in the new Barn that
Ad got from Bruce for seed had 9 bushel he is throw-
ing some of the old ones fine day cleaned 10 bushel
fine basket they are only fit for fire

13 Ad & Malcom went to Shanty for timber & stuff
for fence. Keen frost last night

14 I took care cattle two cows came & died they are
very weak cannot stand up

15 Bittering day snow & wind Ad brought home
a load of Cedar pickets

16 Rev. Mr. Matthews preached this morning. Mr. Gerrat at night
I went with Mr. Matthews he had his own horse

17 Ad & Malcom out to the Shanty for to get a load of logs
put came back at night this morning very stormy day with snow

20. The snow is so thick that it is impossible to go out.

- 19 Mr. M. came home from the school
and after tea they had a fine time.
- 20 Mr. M. went to school this morning. Mr. M. went
to school & M. went out to the field & to the
some logs that is at the mill the same day &
Saw M. want to get her back some.
- 21 I had to make out a list of the names of the
signers for Mr. F. & his friends.
- 22 There came home from the sawmill a great
load of lumber he brought 4 pieces of oak for
big wheel rims fine clay roaders & a
went out to the sawmill to get in logs
for M. & his house.
- 23 I came home from the sawmill he got all
lumber that he wanted & brought the strapping
for the store here and some other stuff.
- 24 I have cabbage and turnips in the lot
but I could not get it ready so I
took the covering of the strapping and
planted some cabbages at the church
and Mr. M. there preached this morning. Mr. M.
at night fine day.
- 25 M. spread dung at the place where
the day came home in the afternoon & spread
dung in the North East field & he goes
to kill a calf at night. fine day.
- 26 M. finished spreading it during the
day. I got 5 cents for the horse
and for the horse. Mr. M. went
back to the field he got the 8 cows in the
up & back. They are out in the
field at night.

- Dec 10. General Drexler has moved to Belmont St.
21. The wind is blowing in from the
south & has been so for several days.
in all the forest of potatoes the plants under
the water was last year & it is aged & rotten.
In the garden it was blown down & it is
now in the water at the bottom. The
big pile of water is now in the water
to a meeting at Dick's Hall for the purpose of
going to the Convention at Dallas. The 22nd there
the most showy act of packing that I ever saw.
There was a lot of the best of 20 that day all
21. The are all working at it. I was in Dallas
22. I went to see the old house in the water
in a large building. I was going to
get potatoes for sale. I had one of the
23. I went to the water in the water & I got at the
23. I came home this night with 15 bushels of potatoes
for 50 cents per bushel. I was
called this morning. There is a great
24. They all went to the Rose got all
Rev. Mr. Matthews preached this morning.
24. Wallace & Malone got the best of the
travelling the first of the year of them
we are in the North of the

- 6 Malcom was out of town on business in the afternoon
- 7 Malcom helped Waller at the building of his cellar
Rev. Mr. Matthews preached this afternoon we had a
Congregational Meeting we appointed Wm. Cornell
Treasurer and Wm. Thompson & Wm. Cornell auditors
- 8 Rev. Mr. Matthews preached & held the Communion there
was a large meeting the church was full 49 partook
of the Communion that had taken there was that had not taken
- 9 Ad & Malcom planted some corn at the road
- 10 Malcom worked at the road & planted 50 potato
plants fine rain last night and to day
- 11 Malcom & Ad worked at their potatoes & cleaned some
ing & picking roots & dragging & cleaned and
ambushments on our ^{dwindling} school Section
- 12 I went to the Road and dropped potatoes for Malcom
& Ad he furrowed a cut fine day
- 13 Ad and me finished planting his potatoes
they are in the Swamp next the road that they clean
up
- 14 Ad planted corn in the same place. I went
with Mr. Waller to see Mr. Darling he is very bad
his legs and the side of his face is all black
- 15 Rev. Mr. Garret preached this morning & in the
Matthews at night there was a steady rain all day
- 16 we worked on the road Malcom & the boys & I
we drew stones out of our woods put them
between Taylor's corner & our house
- 17 went to the funeral of Mr. Matthews Rev. Mr. Garret preached
in the church of 11 AM that there were not many more & some
out side the ground at Robinson then between 40 & 60 to 100 & 1000
the Pitt River

1881

- June 15. H. Linsley and R. Adams and Halden cultivated
the back of the barn with the wheelbarrow
incidental to put turnips in it it was windy but
16 Halden plowed the back of the Barn
Halden sowed of the Chilobon pump. Day
17 Halden finished the plowing & then drew ashes from
the ashery & spread two loads on a Ridge.
18 Halden drew ashes to the field that he plowed
22 Rev. Halden preached this morning. W. Garret at night
23 Halden dragged 3 ridges that he had put ashes
on & then redged them up with the harrow for
turnips in the forenoon he drew ashes in the
afternoon. & worked on the roads he went
to Hallowtown got the Cat's head & got the turnip
drill from Robt to saw the turnips with
Rev. W. Green the Bible Agent gave a lecture
on the Spanish Armada in the Church Thomas
24 Halden drew ashes I was with him all day
he was here all night we took dinner at W. Halden's
25 I raked ^{some of} the rows or drills and some of the
with Rennie's Prizier Sweden purple top
26 Sowed the remainder Rennie's turnip seed 2 lbs
began at the east fence & came ^{west} to within 3 rows of
the maple tree then we sowed 2 rows of Waites
Eclipse purple to Flybird a little rain at 11 o'clock
I went a Strawberry festival in Shaw ground of Church
27 Sowed nearly 1/2 lb of the Waites Flybird then 1 row of
the Red Surrey carrot then some Sugar Beets &
Suttons Champion P.S. Squashes on the corner
of the piece part of the ground is very rough
28 Halden went through the potatoes with the cut
and hauled the potatoes I lathed some in the barn
Rev. W. Garret preached this morning & W. Halden
30 hauled in the garden I lathed part of the clay
& sifted plaster & ashes & mixed them
to put on the turnips part of them is up & the
Back fly is taken from

1879

July 1

Malcom put the ashes & plaster on the turnips
this morning 29 rain there was a heavy dew & fog
I went to a Sabbath School & Sabatation at Dordrecht

there was a large gathering Rev Wm Gordon, Gerrit
Beil & Mc Dougall & General others

2 Malcom cultivated in the garden & talked in the
Kitchen fine day very dry

3 Malcom & me run off lime for plastering
the house expect Hugh Mc Kay the last of the

4 Malcom hosed in the garden & Wallace talked
over head in the kitchen I am not doing much

5 I left the Sellar way & went for his guest to
Garnavague that he took up on Thursday

6 Rev W. Wallace preached this morning W. Gerrat at night

7 Hugh Mc Kay came and plastered the kitchen all hands
a little rain was at work we took the plaster of Kitchen over head

his foreman it was a hard job had for to take a part of the
lath Hugh got the first coat on it all except dark

8 Hugh went over it all this forenoon we all
then went to a Strawberry festival for our church

in the Agnew Hall the Escott Band was up

9 Malcom & me run off lime for a puttie coat &
commenced to mow in the middle field

Sawth half of it the north half is in peas & oats

10 Malcom & Wallace hosed potatoes out at the
road & mowed finish the middle field &

began the north field

11 Hugh put the puttie coat on the front & rear
Malcom & Wallace hosed at the road

12 Malcom hosed in the forenoon Wallace out in
the middle field in the forenoon then mowed

hosed put them in the new Barn & put up 2 loads
to mowed home in the orchard

13 Rev W. Gerrat preaches this morning W. Gerrat at night

14 Hugh put the puttie coat on the Kitchen & by some
and back of the north field & finish the orchard

15 Hugh finished to collar this forenoon & mowed the road

[illegible]

as they all worked at the potatoes at the same time.

25th fine afternoon
they raked & drew in loads from
the north field loads from the old
hewn field it is a fine crop

Rev Mr Garret preached this morning W. Hattis at night

See the working he is very much his mind
and his hands are very much his own. To make the
best of it he says the will of the Lord be done

29 80. Wallace & Hale on to 20. He told to the
that Wallace got from him 30 then went on to

31 They drove in the salt ink cat hair. Some to
Kilham went to the turnips

August 1 Malcom is working at the Turnips at night

Wallace is doing house work day
2 Billie came last night him & Ad & Wallace work
at Wallace house Malcom worked at the Turnips

3 Rev W Mathew preached this morning W garn at night

4 Billie & Dan Davidson worked ^{at the house} Ad & Wallace helped
Malcom worked at the Turnips day time

5 they all worked at the except Malcom he went out turning

6 do do do do do do

7 do do do do do

8 Billie & Dan went home last night Ad & Wallace
worked at the house banding up the sides Billie & Dan
got the rafters on & the ruff boarded & the girths for the
doors & windows all in before they left Malcom worked
at the Turnips he had Bruce & Horace went through them

9 Ad & Wallace went out to the road to cut oats there
Malcom worked at the Turnips they are doing well

10 Rev W garnat preached this morning W Mathew at night

11 they all worked at the road at the oats they had to cradle the
most of them Ad broke the reaper they drew in what was
cut on Saturday there was a little shower last night

12 Malcom & Wallace began to hook the peas they are good
crop Ad & Bruce has been getting the Reaper fixed

Lonnie & Mary Lane W Niel went to Genoaque to mend ^{his} ^{Smith}

13 Ad & Wallace drew in ³ loads of peas & back snow
Malcom was not hear his wife is sick

14 Ad cut the oats in the middle field Wallace &
Malcom finished hooking the peas & they drew
them in had 3 loads that is 6 in all there day

15 Ad cut the spring wheat in the field before the hour
this fore noon Wallace is banding it Malcom
Malcom came in the afternoon they soaked in
wheat & drew in two loads of oats from the middle

16 they drew in 4 loads oats Alexander Corbett helped
Ad & him & it then began to rain & rained all
day & most of the night

17 Rev W Mathew preached this morning W garn
at night there was very few and a little raining

July

Sat

August 13 Bessie came from Della this morning who is going to glenlough with Tennet & Malcom is not working, his wife is sick & is looking for a horse

19 Ad cut some of the oats in the south field the thrashers come this afternoon it is a nice morn

20 they thrashed the fallow at 400 bushels they think there is a good deal of straw & chaff in it then they 120 bushel of oats Dan & Bruce McNeil helped with their horses

21 Ad Wallace & Malcom turned over the oats & got in 2 loads of oats they are too wet clean up bushel of oats & took to the mill the rest home for feed for the horses

22 heavy rain last night and this morning no work Wallace & Ad went to the sawmill at the creek they brought home a load of boards and then turned over the grain in 2 small loads

23 they drew in 5 loads of oats and 1 load of wheat it was a fine drying day the Rev M Nicholas came down from Kingston on a visit

24 Rev M Hudson preached in the morning hall this morning M Matthews at night

August 25 Ad cut the spring wheat in the East field before
Sister M. Darlings
with the horse Bessie & Tennet went Glenlough to see Ellen
his no
Miller
26 Ad cut the oats at home Malcom worked at the turn

27 Ad & Malcom drew in a load of from the East field in the forenoon then went to the road & drew in oats Bessie & Tennet came home from Glenlough last night

28 Ad went to Glenlough to buy a horse he went on the Express this afternoon all over horse trading is down Malcom is seeing to the wife she is sick

29 Malcom is thrashing at Glenlough with the horses

30 I went to Escott to Tony Whites got the cattle shed all packed paid him four dollars & 50 cents for shearing the last time then went to Glenlough with some she is going to Farnhamville to school & baptist

31 I went to court on a record the Rev M Hudson

1899
Sept 1 I took Lennie to Farmerville the school is full
She cannot get in till next term I got home

at night all well

2 Malcolm is not doing anything the two last days

3 Malcolm worked at the turnips I am doing nothing

heavy rain last night some showers to day

4 I got home to day he has got a fine heavy horse
six years old he gave \$100 dollar for him

5 I began to plow in the center field North end

6 I am plowing I helped Wallace to make a place
to mix his graft for the house Malcolm went at it

7 Rev. W. Belamy preached this morning Mr. Matthews at night

8 Malcolm helped Wallace to get grease and to fill up
where the water had run away the old road there

was a good many showers through the day I plowed

9 I am plowing Malcolm is at the turnips

10 I went to Delta this morning with the Charlie
coll & Buggy acted as Judge on Sheep Stopped at
Wall's place is so well that Billie took her seat
in the Buggy there was a good shower of anything

11 got home this evening I brought Tissue & Phila home
Lincoln Safford came with me he is going to work
with Shields Malcolm is plowing I am sick

12 Malcolm finished the North half of the middle
field where the peas & oats was he then dragged it

13 Malcolm finished the dragging & then he began
to draw ashes from the Ashery lot he drew 3 loads
put that on one ridge I fell & hurt my arm &
can do nothing it is so sore

14 Rev. Mr. Matthews preached this morning 3rd October

15 Malcolm is drawing he drew 8 loads
I helped to load since day

16 Malcolm drew 9 loads of it showed to help to

17 Malcolm is drawing he drew loads I went
to meeting in the church the Rev. Mr. Greason
of Gananaque was there it was concerning the
Home Mission grant very poor there.

18 Bruce's Horse & team helped them to draw they
drew loads of ashes I went to Mr. Ferguson's
and got a load of manure & grease

Inspector & Charles Stewart. Mr Webster acted as
counsel for the case. Stewart appealed & then
stayed the arrest. Meeting of the Aggregation
Society there was a good meeting we were 34 in
all. He knew a lot of men in the 6 congregation
- 9 To drove a load of wood he left it here five days
the slaughtering is nearly gone warm day
To went to the 6 congregation & brought Wallace
and the man that he has helping him to cut wood
home high wood last night the swarms were
up at the house
- 10 To the 6 congregation in the morning. Wallace and
Bessie & Agnes came and to the 6 congregation
to the 6 congregation. When Wallace & Agnes
to the 3 houses with the horses that were
on the wagon they are going to back and was
- 11 To came out & cut down the head of the
so that is the quarters he was live in the
- 12 To came out & cut down half of the head I saw
nothing in the house but what was in the house
there is no swarms in the house

1830

Jan 15 I saw Edward Wallace & Eugene come home from the Shanty this morning

16 I went to Bremer's Trunk factory this afternoon

17 fine day the Buggy goes well there is no snow

18 fine warm day like April the snow is all gone
- rain the 19th & 20th no snow this morning. It snowed at night

19 I took Eugene to his school this morning I went home last night (one day) I did nothing I have learned

20 the wind is blowing from the east with snow this morning & a very stormy all day.

21 I went to the Shanty for to bank out wood a fine day

22 very stormy rain & sleet with wind in the afternoon

23 I came home with a load of wood this morning
snow I left it here went back for another rain and snow in the afternoon he that load home

24 I drew 2 loads of wood took one home and left the other here Wallace went for Eugene

25 The Rev. Mr. Matthews preached at night

26 I took Eugene to the school & then went for a load of wood he left it here warm day the slaughtering is going fast

27 I drew a load of wood he left it here & took six 1/2 barrel of Turnips to the Station

was sick he administered the Sacrament to him &
said he was on his feet again
10. I went to see a relation with the sister in law
the official of the daughter the same day
went to summer with her going to the River
11. Rev. W. Matthews preached this morning & evening
12. I laid up the house above the river to look at
the house & the day
13. I was out of the Express this morning & home
I did business with him & home

1450

- 18-19 The Carra and I, James he is quite lame with his
 knee lame day I am lame. He is on the
 18-19 away from the Express at that time
 down in the Bigguy he is a great deal better
 19 I taped 21 trees put milk pans to them the bucket
 is not scalded & it the don't run well
 20 I went gathered 3 pails of Sap and bailed it down
 I put the bucket to the trees & brought in the
 Rev. W. B. B. preached this morning. I believe at night
 there is about 3 inches of snow this morning
 22-7. Took Prince home he is going to drive diary
 at the road line morning. Elton got home
 from Montay on the Express all with there
 23 I taped 20 boats stormy day snow
 and rain. I went bailed 12 pail of Saps
 24 very cold this morning. North west wind
 25 cal all day. I split some wood for me
 26 fine calm day. The snow flower & I made
 some of the flannel heat & where he has at
 in the north field. Last year Miss Rogers
 and other three girls from Ganawake came
 on the Express 35 to see Bessie
 27 I split some wood in the forenoon & went to the
 Session meeting in the church at two o'clock
 We took a wagon load of hay to the road out of north
 28 Rev. W. B. B. preached this morning. I gave at 25¢
 29 I gathered 12 pails of Sap they bailed some of
 it for me for but sugar before Miss Rogers and the
 four girls went away on the Express
 30 very cold morning North wind
 31 Mr. Ballou & Lynda came out with some stone
 for the little school they had to get some time
 for a beam & plate the ones that we had
 not a good one. Some of the

1878

June 13 Recd from Hugh McLean for sand & shales \$5.20

Highways. Defined
