249 DAYS PAST

116 TO COME

Gastric Ulcer—Chlorosis.

A physician in the Northern part of Wales reports as follows: "As regards Pepto-Mangan (Gude), I am very much pleased with the results in a case of gastric ulcer and chlorosis, as well as in a chronic Bright's case. I am prescribing it now freely and confidently."

Weather

Temp.

Rained a little in  
the morning. The girls & I  
went to blanch. Argued  
Alta was over for tea!  
Mrs. Lee & Eveline were  
for the evening.
