SUN. MAR. 20, 1898

Wea.

The Sabbath day
We did not go to Church
as Annie Graydon is very
sick, and the roads are
very bad, The Doctor
did not come to see her
today, I went in to see
her in forenoon and
stayed quite a while with
her, quite a few called to
see her in afternoon

MONDAY 21

Wea.

We rose to find this a
dull day I did not wash
as it ~~is~~ is a rainy
day, we are having very
muddy roads, they never
were worse they say
I was busy fixing one of
my basques a little
I set head tonight
