

May.

10th This afternoon I put on the "Red" and
Frid. This morning Father went out to
Grandpa's with the "Red" and went
too and stayed. They said Mrs Anderson
died Wed 8th May. Miss Lily Files
"Porway school teacher" was on her way
with her "bicycle" tonight to her home
when a shower came up and she
came in here and stayed all night.

11th Sat. Rained this morning. Father
took Miss Files up to Weymouth this
afternoon to her boarding house, and
then he took Grandpa's disc home
and got out. Mrs. P. and
children will be here when I get
home.

12th Sun. All went back through the fields
this morning in the spring wagon and
stopped and went through the new
new house. This afternoon Father
and Mother went to the church.
Rained tonight and nobody went to
church.

13th Mon. This afternoon I went up to the church
and helped to cover the roof with the red
feltting. Next are home.
