

13. Same morning, p. 4. In the morning, 1st Star. 1st night.

1891

no longer appears in the corner of the apartment
the little room that is under the bed this
time and the rest of the place is left almost bare
and empty. The only thing that is left is a small
table and a chair. The room is now as bare as
the time it is in the year of the winter.

24. I got some news from the ^{minister} ~~minister~~ the singing class. I
 yesterday afternoon we have to pay 1st. 10 dollars
 his arrears if we do not we will get no blame. 10
 2nd. 10 dollars must be paid then we will get the
 3rd. 10 dollars per Sabbath until we get the 10th. minister

22 Work not finished in the placing in the corner hole.
This forenoon a fine rain last night that is
the first rain for over two months. Late show-
ers the summer of the first Saco drought.

25. In the forenoon I saw 5 bushels of wheat in
the road side. Rob. Green & Co. has been fighting
Robt. Green since this morning at Gloucester
at night that is last summer here he is going to home.

26. Rabbits are cleared up & buried of with castans &c
of Mesquites for food for the dogs

24 I went to Ecoll with the gunist a little rain
Robin helped to build up the corner of the pen

Dr Robin placed the pinnacles of the fallow
and so marked out the one as necessary

1841 attended our Fair I was in the hall, got the K
jackets over and on them & in 1842 I was in the
house to look & look & one & another work

1. He told me that I have to say that even in the
town picked up some bones just from the
town of the same name has been found of the
negatives of the same.
