

I went with Mr Shackleton to survey River Road at Prairie Siding had dinner at Mr Bennett's home about 4:30 P.M. worked about 2 hours myself & boys at stable while I was away the boys hauled corn behind barn

stable work = 1 day 2 hrs for man or ~~2~~

FRIDAY 11

(284-81)

Chas & I finished stable wall  
Rain stopped work in evening early  
Edgar gathered corn first cutting lower place
