

Brook cultivating on rape ground in forenoon. To town in afternoon to get team and Wiley had.  
So finished ploughing the strip by ditch.

Beautiful day.

TUESDAY, 24

(175-190)

Cultivating rest of corner field in morning. Rolloed, harrowed and sowed it to millet in afternoon.  
Ma and I to town in afternoon

Fine and hot. Storm went round about seven o'clock but only a little shower here.

WEDNESDAY, 25

(176-189)

Scuffled and hoed 11 rows of mangels in forenoon.

Brook chopping in afternoon and choring.

Dull and misting turning to rain about noon. Rained all afternoon and evening.
