

November 1885

I got a letter from Jan

Seander crossed Bought a
Saw shingled some fisherman
putting some of their lines in the
barn 10th Sunday girls went to

Lewis's 11th Shingling some
fishermen went off and

dog 13th Seander & Hughlam to
salmon River for powder

Thread glue Rubber salt

Martin Lewis here for Rumpkins
got a Boat Load East Wind

Reached north side of the frame
Allen here for Marsh hay for the

Archie Craig Boy is one of them
living on the Little Island n side

Rained some The Mare something
big she is laying down eat

well Boats going west Wind
not much shooting 15th Some

lines up near tree the big
Bole owl flying around took

on boards of the roof of the frame
W snow on the mountains

on the Little Island left
