

- 1 Rev. Mr. Dawsley preached this morning very stormy snow & rain straight & continued at night
- 2 Snow about 14 inches last night Mr. Dawsley here all night & plowed in the north end of the north field this afternoon snow all gone
- 3 Ad plowed in the north field & fixed the cows to put
- 4 do do do I went to Mr. Kees & Mr. —
- 5 Doolings with the Rev. Mr. Dawsley Mr. Kees was very poorly he agreed dead better fine day looks like Indian summer the sun is red & the air is very smoky
- 6 Ad plowed & shoveled a cross furrow in the north west half of north field fine morning rain in the afternoon & after dark
- 7 fine morning Ad is plowing this forenoon went & helped John Moore to thresh in the afternoon
- 8 Ad went to a plowing job of the Widow McKells I went to Fairfax with Rev. Mr. Dawsley this morning he preached there took dinner at John Mc Cormicks went with Mr. Dawsley to visit Mrs. Strom she is very sick he preached here at night Mr. Robinson preached in the
- 9 Ad plowed in the North field fine day Mr. John Wilkinson & Thomas Rasbeck came this morning to drill for water to give them \$2.50 per foot
- 10 Ad finished plowing the Northeast part of the North field this forenoon & cleaned out the furrows in it he tried to plow the field at the old house it is too dry
- 11 Ad plowed the potato ground cold day
- 12 hard frost last night Ad cannot plow he thrashed peas with the horse for the bags put the cows in every morning & feeds them there is very little for
- 13 Ad helped Bruce McKel to thresh he took the horse
- 14 Ad did not come home till 10 night I went an agriculture meeting at Westons fine day the drillers has drilled about 9 feet there is 6 feet of water in
- 15 Rev. Mr. Dawsley this morning & Mr. Coningham at night
- 16 the drillers worked at the well they have gone 10 feet 7 inches & thinks that we will have water enough

took 2
cows to Charles
