

11th Cameron Island 10th April 1902

On this day of the Month
Uncle John departed 1893 in
New York very fine day Boys
in sugar bush I went over to the
the house round to the lower
point the Back Bay Ice Moun
it a little but the East wind
waves at Back made Blows
or the Bay to have in the
boat 8th Wind cool 2 of the
was out in the Back Bay after
J. Blue Bills got 13 in for part
the day afternoon in the bush
to raining Working at my cane
Stanley fixing the lines Bob
take home a bad bite took
home about 16 gallons of
Fayrup to day an Eclipse today
some say they heard hoons
every night to night East
was this day of the Month
years married in 1862
and East Wind Rained some
pe many rats windy to night
a fortunate day Randolph
away the Banking took 10 ducks
some of the sugar bush things
fine bottling Syrup
la...
Departed

11th Cameron Island 11th April
Gene went over to the old field
Stanley went out for the
Gene since the 11th of March
a month Leander went with
a steamer went down to
the first made a haul
for the East cleaning up
buckets Rained to night
East Wind 3 claps of
Rained Hailing Rained
13th Sunday 2 went Husm
got 6 ducks Gordon
North Wind kind of squally
Randolph brought the sea
14th Monday Killed about 90
at the Barn and stacks 2 stacks
not thrashed Fine feed for
the fowls of the air and the
and Mice vermin went
the camp lots of Syrup
lots in a barrel to make
fixed my powder shot and
a yacht passed close in
Back Bay Loading shells
put the buckets in the
fowed gunnys
very Renon
