 8 frogs
 19 rain
 20 rain
 21 rain
 23 setting out onions
 24 planting potatoes
 25 planting corn

For all kinds of Farm Stock, will be found invaluable at this season of the year, when change of season requires change of diet, and the great object is to assist digestion, improve the appetite, and give a healthy tone to the stomach, invigorating the whole system, thereby assisting nature to throw off any disease that may exist, causing new blood to flow and the animal to thrive in much less time than it otherwise would. Animals will fatten with less expense, although fed on the same quality and quantity of food. It is also valuable for Milk Cows and Calves.

Cures the worst cases of coughs, colds, influenza, and all diseases of the lungs, throat and chest. The most obstinate cases yield to Hagyard's Pectoral Balsam: and whenever there is costiveness or constipation of the bowels, use Hagyard's Sugar-Coated Pills. In the treatment of these affections, purgatives are required in the very commencement of the attack, and will frequently effect a cure without any other remedy. The cure will be hastened by freely using the Pectoral Balsam. Sold everywhere. Twenty-five cents per bottle.
