

Towards noon, Arthur & Hattie went in Crowland in
Quarterly meeting. Towards night looks like rain again
Hattie over in the evening giving the children their Sunday
school lesson. she brought her harp over. Paul went to bed with
the hens Arthur over in Reckingers for the evening
Sun 17 cold west wind. looked like rain or snow. Harp
went twice in Chippawa after the Drake in put the eave brought
up. Will came over & helped him. she took 2 dozen eggs for us
got 25th sugar 2 loaves bread. 12th since wed besides. Linnemead
took 2 1/2 doz for Will got it on sugar. Paul went on the morning
in London. Hattie went in Crowland to business meeting. Will
Arthur intended to draw railroad ties if Frank had been home
roads terrible. she got 25th worth of fresh meat. Lilly let at
have some butter & pickles we paid Arthur 1 dollar on potatoes
I washed the dining room ceiling. looks like a storm tonight
the eave brought came in 85-84. Paul came tonight after his clothes
Sun 18 Will & Arthur gone after their railroad ties Harp went over
to obtain dinner. Arthur went in Port-ham
in Reckinger & borrowed some bran then went in the Creek &
Will & Lilly went in Chippawa. I got a gal. oil
got some flour slips. I washed the dishes then took a notion to
go papering the winter kitchen got quite a lot done Harp
started her bedroom after she came home Lucy along the road
just Ross kept on to dry her up we well have to let her out
we cannot dry her up the keeps increasing on her milk
Wed 19. finished papering the is at her room. she work
today meal getting kills a lot of time. Mary Reckinger
was here after a sort of bleeding heart. Arthur drew up
she rest of the rails down the road there was quite a lot of
them he drew with back & his black coat. she coll. brand
fibre. Harp's went out & helped him unload each time
Hattie busy cleaning their parlor

Thurs 20 old Ross went out on grass for the first. Harp & Gordon
went in Chippawa got Gordons clothes & a lot of mulling from
Femmi. I da is going to have an operation she is no better had
a dog & 3 eggs @ 20-25th got 1/2 lb tea 15th can cocoa 10th bar soap 15th
the got muller them holders for Bath & herself. 25th bread Will went in
De Miller got 100 of flour for us. I carried water from the creek to wash
the windows on the room. wind east. she got bran at the mill
Arthur starting on the ground on their own land it pretty wet
Friday 21. drizzling rain most of the day. I emptied my barrel
of rain water & washed the barrel & put it on the west side of the
house yesterday. I intended to wash today but it was disagreeable
Harp put up the drapes on the shelves hung up the pictures &
washed all the boys & blankets for the shelves Lucy had her
calf a little heavier just one year ago she had her other
less the one De Miller got for 15th
Sat 22. I da was to have her operation today at 11 O'clock
Harp baked a big baking & put down the carpet & matted
in the kitchen & scrubbed all the boards off. I fixed a place
for the turkey & set her. I put the mulling down in my bed
room & corded the bed swept & cleaned the room. made
two grape pie & tarts & small cakes. the children walked
in Chippawa after dinner gone 4 hours took a dozen eggs
got 1/2 4 soda 1st lb. Bertha & Hanni & the children came
at night. they finished their field I see Will going in farrow
out. cold night wind north east
Sun 23. bright sunshine cool wind. the children went
in church a stranger preached. Hanni stayed home &
took care of the baby. the children gone in Sunday school
Arthur went in Reckinger. Don Sharp came after dinner
Russ Hardlys wife & the Putners girl down on the evening
Will came over here there was so many women over there
