

April, 1929.

12. Friday. Miserable dull drizzly day. Walter got an old horse on the 12th of Peck this morning and went to Elmira this afternoon and had some work done on his teeth by Dr. Hillis. Vernon drew some wood together with Mr. Harvey Schmidt's brush this afternoon.

13. Saturday. Drizzly miserable day. Walter and Vernon took 3 head of fat cattle to Goldstone on two wagons this morning. This pm. Walter went to Elmira.

14. Sunday. Dull, cloudy & cold. Mrs. and Mr. Chas. J. Hillis visited us today and were here for dinner and supper. Tonight we went over to Milton Eix's to see the baby. Vernon went to Sunday school this afternoon and to League tonight.

15. Monday. Cold with east wind. We butchered a 600^{lb.} pig of our own here today and made rafts of frying sausage^{etc}
