

Sunday February 20th
 Frank went down to Sunday school and Enah and I
 went to church. Dad drove Enah down but I walked.
 The soldiers were all in our church this morning and
 behaved themselves very well right from Benjamin & Henry
 down to Bill George. Hammond went to sleep during the
 sermon but didn't cause any disturbance and woke up in
 time to lead the boys out. Aunty came over here to dinner
 with Enah and Frank but I had dinner at Aunty Alice's.
 I spent the after noon at the Bagby's and also the evening.
 Nellie & Bill were there to tea so I stayed too. Marj. & I went
 to church and the rest all went to Methodist Church but
 we all met again after wards and had some music. Mr. Basky
 went to the recruiting meeting in the town hall. They say Kelly
 (Redmond Skinnular) has enlisted with the 14th and that
 old Rickford went down to Toronto to enlist but couldn't qualify.
 I went in to see Aunty for a few minutes on my way home. it has
 been very nice all day but is colder to night.

Monday February 21st

It froze hard last night and has been pretty cold all
 day. We didn't do much but chores all day. Just

before dinner Dad and I went back across the gully to see
 if we could get the place and bring it up but it was stuck
 to fast with the frost so we took the double trees and chain off and
 and brought them up. This after noon I drove Enah down to the
 dentist's and she walked home. To night I went down and
 saw Harry Moon about taking the orchestra up Victoria
 to play at a dance they are having on Wednesday night. I am
 afraid I won't be able to take them in but the roads improve for
 sleighing. but I am to let him know on Wednesday morning.
 I went over to make arrangements with Marj. to go to the carnival
 in Sincal to morrow night but she wasn't home and I couldn't
 find her. Essie went up this after noon to the Russian concert.
 Dad and Enah drove down to night to go to a party at Aunty
 Alice's and I went down there and drove Joe home. I then crawled
 into bed beside the baby's cot and went to sleep he woke up
 as usual but I took him in beside me and just let him cry
 for a while and he soon went to sleep.

Tuesday February 22nd

We did chore and husked a little corn this morning and
 this after noon cleaned out the ice house. at least Dad
 did I helped him till about three o'clock and then went in and got
