

now. some of the fields  
just covered with poppies  
and other wild flowers.

Near Oceanside we saw  
large fields of Beans  
and Potatoes up about  
4 or 5 mi. high. we followed  
the coast all the way to  
San Juan Capistrano. Here  
we see our last view of  
the Pacific. inland from  
here through lots of  
Walnut groves to Santa Ana  
at 11:45 a.m. Raining here  
a little at Orange at noon  
Anaheim at 12:10 p.m. great  
orange + Walnut section at  
both these places. arrived  
at Los Angeles about 1 p.m.

transferred to Central station  
on Central ave. used by both  
the Union Pacific + Southern  
Pacific. took street car up  
to 5th + Broadway. walked  
through a couple of big  
stores. the Broadway, and  
took a snap in Pershing  
square, went back to the  
station. left Los Angeles at  
6:05 p.m. Raining again  
has been showing up and on  
all the afternoon.

May 30th: Got up at 7:30 we are now  
in Nevada. crossed out of Calif during  
the night. Rough country here hills  
+ gravelly canyons. at 9 a.m. in  
Rainbow Canyon which is 26  
miles long. took some snaps
