FEBRUARY MONDAY 2 (33-333) 1920

It was kind of soft we drew manure it thawed so it ran a little water in the cistren Laura came out from Ottawa to stay for Wallace as she couldn't come home as we had the scarlet fever

31/2 It was very cold Ada & I took Ray down to school and had dinner at Stephens Ralph came up and took Ada & Dwight down to Grogans I went back to Johny Dobbie in the evening

TUESDAY 3 (34-332)

It was a beautiful day I helped wash in the forenoon Archie came out to see how we were he had to go over to the Wallace for his dinner

February
1 It was quite a nice day I packed the ice and went and got a load of ice and went back to Archie and stayed all night
