272 DAYS PAST

SATURDAY

94 TO COME

May 20, 1906.

Dr. Schulze-Hoeing, Unna, Germany, says:

"I would inform you that your **Pepto-Mangan (Gude)** has been excellently tolerated by my children, who took it with pleasure. They were anemic and felt very weak, but recuperated perceptibly after the administration of your preparation."

Rained some. Finished thrashing about noon little after then they went to Billy Jarvis. Maudie Kella & I went to Oylmer to night. Carl Adams helped thrash. Lewis was down & Elgin Clarke was here a few minutes

March 5-
