

Nov 1900
clearly east. wind rained Steady P.M.
There is some ice forming on the trees
20 A & Henry drained I & J went to S.M.
& ripped some old fence boards to put
on the top of a new fence at Bay's
A.M. I went to a Timbers Sale at
Spence's P.M. Henry finished the drain
behind Cider house & A went to
Unionville with a Bird to get it stuffed
we don't know what it is & Doreen
was not at home I found it in our
Orchard a week ago but Doreen
& John caught it for me it lived
until last night. it looks like a small
duck. but it has a bill like a Pigeon. Some say
it is a Dove
W. mild cloudy & foggy all day the
boys picked 6 bags Cider Apples after
dinner then we turned the cows in the
Orchard

21 I made nearly 50 gallons Cider at
Lapp's A.M. he brought 500 2 in holes
from Betty P.M. A & Henry started
a new piece of drain from the lane
along South end of Cal's Pasture
in field behind Cider House W.
wind shows a little hail one Clap
of thunder this morning Cloudy

Nov 1900
a few squalls through the day a little
thunder again about noon very strong
wind all P.M. going down the evening
a lot of fences blown down I helped
Bo & Betty the stone pipe with wire in the
Hebron Meeting house

22 A & Henry finished the drain I
fixed up fence west of lane South
of Cider house & pulled out the broken
posts along Pickering's Rowline & took
up some new ones I helped Bo & C
to raise the seat in the Preachers
stand in Hebron Meeting house
D & Henry plowed water furrows
this evening A took Butter to Lane
towards evening D. very fine today
some squalls of rain towards evening

23 A helped Betty put in drain Henry
& I drove off small stones on all
the plowed fields the boys threw
them on the Centre of the lands as
they plowed the best time I took
Mary & Susanna to J.D.'s then I went
to Cedar Grove I brought them home
again P.M. W. fine clear a S. the
Cool N.W. wind not strong
