

some provisions. I killed and picked a young cocked  
 & that was out there for dinner & Tonight Hank has gone down  
 to stay all night with Aunt Alice. Nice sunny day.

Sunday March 4<sup>th</sup>

I didn't get chores done in time to get down to Sunday school  
 but drove Chuck down to church. Aunt Maud was in church  
 and asked me to drive her over to Aunt Lucy's so I did and then  
 came back and drove Aunt Ida over here while Frank &  
 Aunt Alice walked over. Dick was over to dinner too. About  
 four I drove Aunt Ida back down town and Aunt Alice  
 walked. She said she would rather walk than drive. She  
 stopped in at Uncle Wards on her way down and Aunt Maud  
 came down with her. I let Aunt <sup>Ida</sup> Maud out at Allan's corner  
 and took Aunt Maud in and drove her home. I drove in  
 the buggy the roads are mostly pretty bare, but icy in spots  
 which made it hard for Joe as her shoes are smooth.  
 I walked down to tea and went to church alone to night. After  
 church I went for a very short walk with Margie and then  
 up to see Cousin Loll. I called in at Aunt Alice's on my way  
 home. Winnie was going to stay there all night. It has been  
 getting much colder all day to day, and is snowing  
 quite hard to night with a strong northeast wind.
