323 DAYS PAST

MONDAY

43 TO COME

May 29, 1907.

Dr. Elias Rojas, Havana, Cuba, says:

"I have had occasion to use, in all cases where it is indicated, the recognized and efficacious medicament **Pepto-Mangan (Gude)** and have always obtained the most flattering results."

cloudy but was a pretty  
 good day & dry. Clothes  
 washed. Mark was over  
 to night. He has been  
 helping Clarence plough  
 John has been ploughing  
 all day & finished the field  
 east of the south barn. I  
 mowed all the evening to  
 night. Maudie went to  
 school. John carried Melba  
 out to the dining room bed  
 room to day John brought skin  
 up from the woods & day Maudie to
