271 DAYS PAST

94 TO COME

Admirable as a General Tonic.

A country practitioner in Louisiana writes: "I am a free dispenser of Pepto-Mangan (Gude). It is an admirable preparation in anemia, chlorosis, etc., and when a good general tonic is needed in impoverished blood conditions."

Weather

Monday

Temp.

John went away with
shed all day, down to
some hillwards. Eugene
& Ale-t-a was here for
dinner. Eugene went
to the river for a foot-
caw & it was out school
Joe was at Mr. Miller's
cutting corn
