

July Wednesday 21 1926

Mr and Mrs Riley took Jean and I to
Canning Garden party in the "Choir"
A good programme, and a wonderful
night so we certainly had a
dandy time.

Thursday 22

Friday 23

A wonderful day. Cleaned brass
on my harness after I washed the
bottles. Visitors here for tea and we
had a musical concert in the tent
after supper.

July Saturday 24 1926

Roscoe came home from town
with me and had dinner at Bendemeer
Farm. He had a sleep and when I
had finished my work we went down
to the Mission Picnic on the flats here.
Won second in Youngmens Race and first in
sack race and had very nice time. Drove
to town at night to see Jean.

Sunday 25

Jimmie helped me wash bottles when
I came home so we were through by
1.15. Had dinner and then drove up
to Barker to spend afternoon. "Barkers"
from Surfod were there and we sure
had a great feed of cherries. Wonderful
drive with Jean after tea in the twilight
and then the moonlight.

Monday 26

As usual a busy day for me. Rode
to town at night in Easton's "Buick"
and attended practice for play
at Inkaters. Home early at 10.30.
