

Jan 24th Cold this a.m.
but mild this after-
noon. and bright
sunshine for a change

Jan 25th Cloudy + mild
rained in the night
wind changing to
North West this after-
noon. and starting to
freeze hard.

Jan 26th Cloudy and
moderately cold
Doris had a party for
her 12th Birthday 10
was asked 7 came. 13 left.

Jan 27 milder & cloudy
a little soft snow.
Toronto Globe says only
5.13. hours sun this year
until Jan 17th and 24 hours
to Jan 27th Total, 29 hours
while the average is 79 hrs.

Jan 28. Rained last night
& this morning. Turned
very cold this afternoon
will be below zero tonight

Jan 29th Very cold 10 below
zero. with strong north-
west wind.

Jan 30th. about zero
again this morning

Jan 31st nearly zero
again this morning
with a bitter west
gale. blowing. getting
milder all day but
blowing hard.

Feb 1st. Fair & moderately
cold. but getting colder
tonight.

Feb 2nd Very cold again
4 below zero. Bright
sunshine. I guess the
groundhog saw his shadow
OK.
