195 DAYS PAST SATURDAY 14 171 TO COME

March 16, 1907.

Dr. F. V. Dotterweich, Ashland, Ohio, says:

"Sample you sent me was used in the case of a lady about 60 years old and suffering from a pre-senility. She has improved very markedly, and has taken nothing but **Pepto-Mangan.**"

Pepto-Mangan (Gude) is a true blood-builder.

^{discontinued the pills}
 very warm the bed quarmed
 twice. Maudie & I went to
 Aylmer. Mrs Ed Thompson
 & Boyde were here for dinner
 John was cutting shingles
 all day. Maudie & I were
 down at the Arnolds
 & got cabbage plants &
 some carpet rope, took
 some foundation to Miss
 Murrey
