

April, 1931.

12 Sunday. Fair with cold wind  
We all went to Sunday school and church  
this afternoon and Willard had  
his supper at Geo. Bolender's.

13 Monday. Warm and very  
windy. Ella did the washing & ironing  
Walter went to the Elmira Fair and  
went to Heidelberg from there and  
brought Grandpa & Grandma Krauter  
home with him.

14 Tuesday. Fine day. Vernon  
and Grandpa grafted some fruit  
trees and Vernon started drawing  
manure this afternoon. Norman  
Atkinson fixed up the old coupe  
and was here for dinner. Walter  
and Ella took Grandpa & Grandma  
Maurer along <sup>tonight</sup> and went to the Conference  
at Elmira where Bishop Dunlap spoke.

15 Wednesday. Another grand day.  
Walter & Ella took Grandpa's home and went  
to church at Elmira where Rev. Raymond Veb of Cleveland  
gave an address on "Youth's Quest". Vernon  
went down with Schneider's young people.
