74 DAYS PAST

THURSDAY

292 TO COME

### The Early Recognition of Cancer.

**CARCINOMA OF THE RECTUM.** Whenever there is a history of bleeding from the rectum, a digital examination should always be made immediately. Likewise when the symptoms are merely the feeling of pressure in the rectum.

**CARCINOMA OF KIDNEY OR BLADDER.** Hematuria is always present. Of course other conditions may produce the same symptom, but a complete diagnostic study of the case must be made.—Levin; *Archives of Diagnosis.*

**Weather**

Temp. all day & snowing & high-  
The boy was over. Girls  
stayed & were clinics  
all night to night. They  
are going to an at-home  
in the high school.
