347 DAYS PAST

18 TO COME

Adolescent Girlhood.

Fitch protests against overworking young girls, physically or mentally, at or about the age of puberty. He also objects to "medical tinkering" and the too frequent use of emmenagogues. He reports the complete cure of a case of amenorrhea of over a year's standing as the result of an open air life and the use of **Pepto-Mangan (Gude)**.—*Annals of Gynecology and Pediatrics*.

Weather

Temp.

Warm & snowing  
snowed all day. Eugene &  
Alicia was over for dinner.  
After dinner Eugene & Pa  
went over to the boxes a  
little while. We all went  
over to the boxes to night!
