

Wednesday, March 25

1918

- Apr. 13th Hartley Johnson came to help cultivate for the day.
 16. Sowed first oats on hill next Birmingham Place.
 17. I shipped 100 bus of D.A.C. No. 3 Oats to Litchfield, Conn. U.S.A.
 at \$1.50 per bus. On account of custom war restrictions it was
 very difficult to get them across the line.
 A very heavy rain in the afternoon.

June 4th Mr & Mrs Kelly and Mr Probre came up in the evening.

June 4th Planted potatoes behind driving shed

7th George Inarick built rail fence around
 the little field behind driving shed

Put up barbed wire fence along far hollow

North
 Rest on W. Adair
 2 rows in each small field
 Irish Cobler
 Northern Green
 Home Grown
 4 rows nearby of Campbell
 South
