

Dec 2nd Sunday cloudy
& cold. stayed in bed
until noon. What is the
use of getting up any way.

Sunday school. Got a ride
with Edgar glad I did
not have to go out. Did
not have any visitors

Dec 3rd Got 3 letters from
mother 2 for me and one
for the children. Selling
the house seems to have
held her up from coming
on the Dec 1st Boat
went to Hamilton for my
glasses. they seem funny
started to rain tonight
could not see hardly
anything with my glasses
Reading and long distance
together

Dec 4th cold & cloudy
a few snow flurries
saw of manure curved
for coloring strawberries.
took my glasses back
and got them changed
back to reading glasses
and getting another pair

I guess since I had the
one a couple of months ago

be broke wished I had
not bothered with my mine
until next summer

an odd snow flurry.
Called mother to wish
her a pleasant voyage
and telling her
