SAT. NOV. 5, 1898

Wea.

This is a dark cloudy day with some rain, George and S.A. are going to drive to Luther today and so is W. Mundell and Jas McCulloch, as James time is in at Robert's they all started at noon but there was some heavy rain. The boys went to pull some apples for Phemia. I was but

Saturday work with

Ther.

SUNDAY 6.

Wea.

It is colder today I did not get to Church today as I would have had to look for a ride with some of the neighbors and it is very muddy, there was quite a bit of snow blowing in afternoon Mr & Mrs Gansley were at Georges in afternoon
