297 DAYS PAST

69 TO COME

Devoid of Normal Blood Tint.

The natural color of good health is absent in the case of the chlor-anemic patient; the cheeks, lips and conjunctivæ are pale and the feeling of "well being" is absent. **Pepo-Mangan (Gude)** promptly and efficiently raises the color index of the blood, dissipates the sickly, greenish pallor of the complexion and imparts a general feeling of "well being."

Weather

Temp.

A fine rather warm
this afternoon & girls road to school
& some one broke Mellas wheel,
I went to Aymer for to get
meat for thrashers. Their was
four buried from the Baptist
church this afternoon. Mr. Mark
& wife, Mr. Cahoon & wife
was killed in their Otto, by
a train coming home from
Admed fair. Thrashers come
to night & helped Clarence Akman
thrash. Meriah 5
