

Ther.

FRI. MAY 27, 1898

Wea.

I got up and made the fire, we then had breakfast, I set out some tomatoes in forenoon after dinner Phencia called a few minutes I did some baking, and after tea I went up to Hendersons, there was choir practice there

Ther.

SATURDAY 28

Wea.

I got up and made a fire and got the breakfast - I then did a little baking and swept and dusted, after dinner the boys went to the mill with W. Limbeer, and was busy weeding and hoeing and taking worms out of the trees and I planted some tomatoes
