So we have reached the end of another year, & we feel that we have been  
 in the hands of Him who doeth all things well. We cannot, therefore, but  
 trust him for the untried future, for it is all in His hand.

During the past year all our work has gone smoothly we had no  
 trouble with bush fires which were very prevalent. the harvest very pleasant  
 and winter snow favored us with a good stone root house. As to health I have not been  
 a day in bed that I remember. Truly goodness & mercy has followed us
