285 DAYS PAST

80 TO COME

After Scarlet Fever, Measles, Etc.

Special care should be taken to avoid the administration of any tonic or reconstituent which is likely to disturb the child's digestion or by inducing constipation, minimize the appetite. Pepto-Mangan (Gude) is the ideal tonic for these young patients because it is pleasant, easily taken, non-irritant and non-constipating.

Weather

Temp.

led a fine
pre & I washed. The
girls went beech nutting
this morning. This afternoon
Maudie went home with
Miss McLough & Maudie
for to go to the Methodist
tea & remained all
night. Had a fine time
killed & raised for me
stayed playing the
Dell & Polly to south east
with to the road field
