

Gretia and I went to Belmont and when we got back John came in and stayed a few minutes

13 Monday I was home all day till night then Ella came over and John took her home he came back after her and she wanted me to go along so I went and when we came back Jud had gone to Leppers with the man and John and Tommy went after him and when they came back John came in for the pleater the boys set out in the buggy and hissed

14 Tuesday Will and I went to town I went and got Anna's pattern and paid some money to Jim for that sawing factory John Loretia and Anna was over here in the evening and it made Jud so mad

15 Wednesday I went over to Gretia's to see if she could go to town after supper
