1917

- Apr. 17th. Went to St. George for spray material 1 small barrel of Lime Sulphur Solts and 2 can of Arsenate of Lead. Sold the last of the wheat @ \$2.05 per bu. Shipped a bag of potatoes to Willie Galbraith.
- 18 - Herb Cunningham came up with his engine and we sawed the wood in the afternoon, a fine warm spring day.
- 19 - Helped R. Mc Donald to saw wood.
- 20 - Mr. Johnson to saw wood in the morning, a very fine warm rain last night. Cleaned up the last of seed oats.
- 23 - Sprayed the Orchard with Lime Sulphur & Arsenate of Lead. We drove over to Boakes in the evening for some seed oats.
- 24 - Cultivated up part of the wheat in Creek field and sowed mixed grain on it.
- 25 - Sowed some mixed grain in wheat field next Lanning.
- 30 - Finished sowing mixed grain in back 14 acre field (Oats & Barley).
- Received 5 cherry trees from Smith's nursery, Winona 2 Bar. Stock 1 Early Richmond and 2 Black Oxbark.
- May 1st. Bought of Norman Clump one sow, Berkshire 7 months old for \$2.00. Mr & Mrs Johnson and Family came over for tea and the evening to help celebrate Earl's Birthday.
- 2nd - The first of May was quite wet and both 1st & 2nd very windy.
- 3rd - Started to cultivate in Clump's field for Oats.
- 4th - Sowed Clover & Timothy seed on back 14 acre field and harrowed it with new set of harrows.
- 5th - A wet day. Received 3 rose bushes from Hort. Society.
